LEAGUE PARK, CHICAGO, Ill., July 18 .- It is a case of Brooklyn again today, the third game of the series. The men from Trolleyville failed to make it two straight yesterday, 'Germany'

would win. The last time Garvin pitched and immediately handed the game over to the Microbes, who scored seven runs in the first inning. There were no flowers to-day and Virgil was determined to get revenge, "Dutch" Jordan is winning golden

pinions from Hanlon and his fellowplayers for the clever way he is cover-ing right field in the absence of Gessler who is still laid up with a sprained ankle. Jordan made two sensationa catches of line hits yesterday, and roted one of the best all-around utility

players in the League. Jack Taylor, although laid up during the past week with a game leg, was slated to hand up the benders for the Cubs and another wire was marked up for Selee's men by the fans, who have some to the conclusion that Taylor's

Lundgren also warmed up. Cook, the Keeler, rf. Illinois College player, who is holding down centre during the illness of Davy McFarland, Jones, made himself a great favorite Ganzel, 1b, corroy, ss. sovered the position in perfect style and O'Connor, (Connor, Connor, Co Jones, made himself a great favorite yesterday by his all-around work. He covered the position in perfect style and started the inning raily by pushing out a hit with the bases full.

Ebbets and Hanlon will attend the heazue meeting on the 20th in New York.

They never accred again, but the hatter those were enough, as the Hanionites sould do nothing with Jake Welmer's benders.

Hanion had a new pitcher out on the lot warming up to-day. The latest arrival is Chauncey Pisher, who asked the Brooklyn manager for a trial and who what he could do.

Pisher pitched part of a season for the Bridegerooms back in the 980, but the League swatters and he was tin-cannel. Bince then he has been tried by nearly every club from Brooklyn to California and is believed to be in the class with "Kid" Carsey. Hanion explained that he did not know what Fisher could do.
